## EDUCATION

### University of Regina, Regina, SK— Fourth Year *B.Ed. Student*

Completion April 2021

### Yorkton Regional High School, Yorkton, SK — Grade 12 Diploma

2016

## WORK EXPERIENCE

### Good Spirit School Division, Yorkton, SK— Education Assistant

2021

Supporting the main classroom teacher in their day plan, and creating a plan for students to achieve in their education and personal relationships. I worked with middle year students, and built relationships to support their needs. My jobs included following a schedule, adjusting based on students, teaching curriculum indicators/ outcomes and more.

### Good Spirit School Division, Yorkton, SK— Substitute Teacher

2021

Covering teachers classroom and jobs when they are away. This includes following and adjusting a day plan based on the students and their needs. I would fill in with covering teaching of necessary curriculum goals, and creating a meaningful environment with relationships to assist the students in their learning. These jobs include following a schedule, adjusting based on students, teaching curriculum indicators/ outcomes and more.

### Good Spirit School Division, Yorkton, SK— Substitute Educational Assistant

2021

Cover educational assistant during time off, during substituting I work with students who need extra assistance in their learning, and students who have disabilities or learning difficulties. I assist students by bringing them out of the room for one on one, or small group instruction. Work with the students in a comfortable and welcoming environment. Explaining difficult terms in easy understanding ways. Creating relationships with students to allow them to achieve in their learning.

## SKILLS

I am a team player that works well with others. I listen to others' feedback and have great communication skills. I am a creative thinker which allows me to develop effective lesson plans. I am very organized and have great time management skills which will allow me to create great lessons for students.

## ACTIVITIES AND INTERESTS

Some of my interests include sports and physical activities such as running. As a student, I participated in Volleyball, Soccer, and Basketball. I would be interested in coaching some of these sports.

### **Dr. Brass Elementary School, Yorkton, SK— *Internship***

2020

During Internship I created a unit plan which I taught during my three week block of full time teaching. I also created various individual lessons to teach during other times of my internship. Some other duties included observing teaching in various classrooms, leading group activities, interacting with students during learning, read-alouds, and organizing the classroom, taking care of daily jobs such as home folders, attending learning opportunities, and attending staff meetings.

### **George Lee Elementary School, Regina, SK— *Pre-Internship***

2019

My duties included observing teaching, providing additional support during activities, and interacting with students during learning. I planned and implemented lesson plans daily during my Pre-Internship.

### **Sign Early Learning Centre, Yorkton, SK— *Support Educator***

June 2019- August 2019

As summer support staff, I provided additional support and covered other staff when on holidays. Some duties include creating learning opportunities, cleaning up after children, serving food, and assisting in bathroom duties.

### **City Hall, Yorkton, SK — *Heritage Research Assistant***

May 2019- June 2019

Jobs duties include uploading and sorting heritage documents linked to the Howard Johnston collection. I also worked on duties with connection to schooling, such as creating displays in the Gallagher Center and creating lesson plans with connection to Yorkton's heritage. Another project I worked on was creating games about Yorkton's heritage.

### **First Years Learning Centre, Regina, SK— *Support Educator***

2017 -2019

I was a support staff for infants to Kindergarten age. Jobs include feeding, changing, creating invitations of learning, cleaning duties, and activities focused on the developmental domains; physical, cognitive, language, and social-emotional. Other jobs include filing, calculating each child's hours, bringing Kindergarten students to and from school, and covering the kitchen when the food specialist was gone.

### **CIBC, Yorkton, SK— *Bank Teller***

2016 –2017

I worked as a bank teller, handling money, and assisted bankers with transactions, helped them use technology to complete their transactions, and I built skills in customer services.

## **VOLUNTEER EXPERIENCE OR LEADERSHIP**

**Thompson Community School, Regina, SK— *ESL Support***

2018

My duties included doing activities with the students to support them to learn the English language.

**Sport Venture Volunteer, Regina, SK— *Sport Educator***

2018

I helped plan activities and implemented them with a group of students with special needs. During learning, I interacted and played sports with the students such as basketball, passing a ball, hula hooping. Also supported students in creating art such as painting a rock.

**P. J. Gillen School, Esterhazy— *Teaching Assistant***

2017

My duties included observing the teacher, interacting with students during activities and playtime, creating a Christmas craft, read-alouds, and assisting with Christmas activities through the classroom and school.

**McKnoll School, Yorkton, SK— *Teaching Assistant***

2016

My main jobs included working with individual students to finish assignments and give extra support, marking students' work, observing classroom teaching, preparing activities, printing, and laminating.
